

2012 Asgrow and DEKALB Winter Agronomy Meeting

This year's guest speaker is Farm Journal Agronomist Ken Ferrie.

The annual Asgrow and DEKALB Winter Agronomy Meeting draws a large number of growers each year. This year Farm Journal Agronomist and Independent Crop Advisor Ken Ferrie will be coming to Minnesota for 6 meetings across Eastern Minnesota. His meetings are filled with very detailed information that answer the tough agronomic management decision making questions all growers face. This will be one of the best meetings you attend all year.

*Each meeting is approximately 4 hours in length, refreshments will be available.
